

Alumni Engagement Survey Questions for Universities

Discover essential **alumni engagement survey questions** designed to help universities gather valuable feedback and strengthen connections with graduates. These targeted questions provide insights into alumni experiences, involvement, and satisfaction. Utilizing this data empowers institutions to enhance programs and foster lifelong relationships.

Sample Survey Questions

1. Alumni Experience

- How satisfied are you with your overall university experience?
- Which campus activities or organizations did you participate in during your studies?
- How well did your university experience prepare you for your career?

2. Alumni Engagement & Recognition

- Have you attended any alumni events in the past five years?
- What types of alumni activities are you most interested in? (e.g., networking, volunteer opportunities, professional development)
- How would you prefer to be involved with the university as an alumnus/alumna?

3. Communication & Connection

- How would you rate the frequency and quality of communications from the alumni office?
- How do you prefer to receive updates and information from the university? (e.g., email, social media, printed newsletters)

4. Support & Giving

- Have you made a financial contribution to the university since graduating?
- What motivates you to support the university (financially or through volunteerism)?
- What factors might encourage you to give or increase your support in the future?

5. Feedback & Suggestions

- What university services or programs have you found most valuable since graduation?
- What additional services or programs would you like the university to provide for alumni?
- Please share any suggestions for improving alumni engagement and involvement.

Conclusion

Gathering insights through well-crafted alumni engagement survey questions enables universities to understand graduate needs and preferences, building stronger, mutually beneficial relationships well into the future.
