

Community Needs Survey Addressing Mental Health Services

A comprehensive **community needs survey** is essential to identify gaps and prioritize mental health services. This survey gathers valuable insights from residents to enhance support and resource allocation. Understanding these needs promotes better mental health outcomes for all community members.

Sample Survey Questions

1. **How would you rate the current availability of mental health services in your area?**

☐ Excellent ☐ Good ☐ Fair ☐ Poor

2. **Have you or someone you know experienced barriers to accessing mental health services?**

☐ Cost ☐ Location/Transportation ☐ Lack of Awareness ☐ Stigma ☐ Other

If other, please specify:

3. **What types of mental health services do you believe are most needed in your community? (Select all that apply)**

☐ Counseling/Therapy ☐ Crisis Intervention ☐ Support Groups ☐ Youth Programs ☐ Addiction Services ☐ Other

If other, please specify:

4. **Are you aware of local organizations providing mental health support?**

☐ Yes ☐ No

5. **Please share any suggestions you would like to see implemented to improve mental health in your community.**
