

Confidentiality Consent Form Sample for Research Participants

A **confidentiality consent form sample** for research participants ensures that their personal information is protected throughout the study. It clearly outlines the measures taken to maintain privacy and the participant's rights regarding data confidentiality. This form is essential for building trust and complying with ethical research standards.

Sample Confidentiality Consent Form

Project Title: _____
Researcher(s) Name: _____

Description of the Study:

Confidentiality Statement

Your participation in this study is voluntary. All information collected from you during the course of this research will be kept strictly confidential. Data will be stored securely and will only be accessible to the research team. Individual responses will not be shared with anyone outside the research team and will only be reported in a way that does not identify you personally.

- ☐ I understand that my participation is confidential and that my identity will not be disclosed in any reports or publications.
- ☐ I have had the opportunity to ask questions about confidentiality and have received satisfactory answers.

Participant's Rights

- Your participation is completely voluntary.
- You may withdraw from the study at any time without penalty.
- All data collected from you will remain confidential.

Consent

By signing below, you indicate that you have read and understood this information and agree to participate in the study under the terms described above.
