

Hybrid Conference Feedback Form Sample

Collect valuable insights using our **hybrid conference feedback form** sample, designed to gather opinions from both in-person and virtual attendees. This form ensures comprehensive evaluation of the event's content, technology, and overall experience. Improve future hybrid conferences by analyzing participant feedback efficiently.

Attendee Information

Name:

Attendance Type:

☐ In-Person

☐ Virtual

Event Content

How would you rate the quality of the event content?

--Please Choose--

What was your favorite session or speaker?

Technology & Logistics

How was your experience with the event's technology (audio, video quality, streaming, etc.)?

For in-person attendees: How would you rate the venue, registration process, and facilities?

Overall Experience

Overall, how satisfied were you with the hybrid conference?

--Please Choose--

Any suggestions for improvement?
