

School Parent Satisfaction Survey

Discover a comprehensive **school parent satisfaction survey** sample designed to gather valuable feedback from parents regarding their child's educational experience. This survey includes detailed results that highlight key areas of success and opportunities for improvement within the school community. Utilize these insights to enhance communication, engagement, and overall satisfaction among parents.

Survey Sample Questions

1. How satisfied are you with the quality of education your child is receiving?
2. Do you feel the school provides a safe and supportive environment?
3. Are you satisfied with the communication from teachers and school administration?
4. How effectively does the school address your concerns and feedback?
5. Is your child engaged and motivated to learn at school?
6. How likely are you to recommend our school to other parents?

Survey Results Overview

Survey Question	Very Satisfied / Yes	Somewhat Satisfied	Neutral	Somewhat Dissatisfied	Not Satisfied / No
Quality of Education	62%	24%	8%	4%	2%

Communication	55%	26%	9%	7%	3%
Responsiveness to Concerns	50%	29%	11%	6%	4%
Child Engagement	61%	22%	9%	6%	2%
Likelihood to Recommend	68%	19%	7%	4%	2%

Summary of Key Insights

- **Areas of Success:** Parents expressed high satisfaction (over 60%) with the overall quality of education, safe environment, child engagement, and likelihood to recommend the school.
- **Opportunities for Improvement:** Communication and responsiveness to parent concerns were identified as areas to enhance, with 10% or more families expressing neutrality or dissatisfaction.
- **Action Steps:** The school will:
 - Increase regular updates and feedback channels between teachers, administration, and parents.
 - Organize parent-teacher forums to discuss concerns and suggestions.
 - Offer workshops for parents to foster greater community involvement.
