

# Training Effectiveness Survey: Soft Skills Development

Our **training effectiveness survey** is designed to evaluate the impact of soft skills development programs. It helps organizations measure participant engagement, knowledge retention, and behavioral changes to ensure continuous improvement. Collecting valuable feedback, the survey supports strategic decisions for enhancing future training sessions.

1. Please rate your overall satisfaction with the soft skills training session:

☐ Excellent ☐ Good ☐ Fair ☐ Poor

2. To what extent did the training improve your knowledge of the following soft skills?
