

# Pre-Event Survey Sample for Event Planning Feedback

Conducting a **pre-event survey** is essential for gathering valuable feedback that shapes successful event planning. This survey helps organizers understand attendee preferences and expectations, ensuring a tailored and engaging experience. Collecting insights beforehand allows for strategic adjustments, enhancing overall event satisfaction.

## Attendee Information

Full Name:

Email Address:

## Event Expectations & Preferences

Have you previously attended our events?

Yes  No

Which session topics are you most interested in? (select all that apply)
