

Video Interview Consent Form Sample

The **video interview consent form** sample ensures participants are informed and agree to recording terms before the interview. It outlines permissions for using and storing video content securely. This document helps maintain transparency and legal compliance in interview processes.

Participant Information

Full Name:

Date:

Consent Agreement

I acknowledge that this interview will be recorded on video. I give my consent for the video recording and understand the following:

- The video recording will be used solely for [purpose of the interview].
- The recording will be stored securely and access will be limited to authorized personnel.
- The video may be used in reports, presentations, or other materials, as agreed.
- I can withdraw my consent at any time before the publication or use of the material.

☐ I have read and understood the information provided above and voluntarily agree to participate in this video interview.
