

Conference Feedback Survey for Networking Effectiveness

Our **conference feedback survey** is designed to evaluate the effectiveness of networking opportunities provided during the event. Participants can share insights on how well the sessions and activities facilitated meaningful professional connections. This feedback helps improve future conferences for enhanced networking experiences.

Networking Opportunities

How would you rate the networking opportunities provided?

Excellent 

Did you make meaningful professional connections?

☒ Yes ☐ No

Which sessions or activities did you find most effective for networking?

What suggestions do you have to improve networking opportunities for future conferences?
