

Daily Cleaning Checklist for Airbnb Rentals

Maintaining a **daily cleaning checklist** for Airbnb rentals ensures a spotless and welcoming environment for every guest. This checklist helps streamline housekeeping tasks, keeping the property hygienic and guest-ready at all times. Consistent cleaning not only enhances guest satisfaction but also boosts positive reviews and repeat bookings.

Checklist

- **Entrance & Common Areas**
 - Sweep and mop floors
 - Wipe down door handles and light switches
 - Vacuum rugs or carpets
 - Dust all surfaces (tables, shelves, decor)
- **Living Room**
 - Fluff and arrange cushions and pillows
 - Wipe remote controls and electronic devices
 - Clean coffee tables and surfaces
 - Empty trash bins and replace liners
- **Kitchen**
 - Wash and put away dishes
 - Wipe countertops and kitchen appliances
 - Clean sink and taps
 - Empty fridge of any leftover food
 - Take out garbage and recyclables
- **Bedrooms**
 - Change bed linens and pillowcases
 - Dust bedside tables and lamps
 - Vacuum or sweep floors
 - Check under beds for items/garbage
- **Bathrooms**
 - Disinfect toilet, sink, and shower/tub
 - Wipe mirrors and fixtures
 - Replace towels and toiletries
 - Empty trash bins
 - Mop floors
- **Final Touches**
 - Check for personal belongings left behind
 - Open windows briefly to air out rooms
 - Ensure all amenities are restocked
 - Adjust temperature as needed for next guest

Using this checklist daily helps maintain high cleaning standards, ensuring every guest enjoys a comfortable and pleasant stay.
