

Parental Consent Form

This **parental consent form** sample is designed specifically for daycare providers to ensure clear communication and legal protection. It helps obtain necessary permissions from parents for activities and emergency care. Using a standardized form promotes trust and safety in childcare environments.

Child Information

Child's Name:

Date of Birth:

Parent/Guardian Information

Parent/Guardian Name:

Contact Number:

Permissions

☐ I consent to my child participating in field trips and outings organized by the daycare.

☐ I authorize the daycare to obtain medical care for my child in case of emergency.

☐ I permit my child to be photographed for daycare activities and communications.

Medical Information

Allergies or Medical Conditions:

Primary Doctor Name/Contact:

I hereby grant permission for the daycare provider to care for my child as outlined above. I understand that in the event of an emergency, all reasonable efforts will be made to contact me prior to any medical treatment.

Parent/Guardian Signature:

Date:
