

# Peer Assessment Form for Group Project

A **peer assessment form sample** for group projects is a valuable tool designed to evaluate individual contributions within a team setting. It encourages fair and constructive feedback, fostering collaboration and accountability among group members. This form helps instructors accurately assess each participant's engagement and performance throughout the project.

## Project Information

Project Title:

Group Members:  List all group members

Your Name:

## Peer Evaluation

Group Member Name	Contribution to Project (1-5)	Teamwork (1-5)	Communication (1-5)	Comments
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

(Add more rows as needed for larger groups.)

## Overall Feedback

Please provide any additional comments about your group's performance, collaboration, and areas for improvement:
