

Product Feedback Survey Questions for New Product Launch

Gather valuable insights with our **product feedback survey questions** designed specifically for new product launches. These questions help identify customer preferences, satisfaction levels, and potential improvements. Collecting detailed feedback ensures your product meets market demands and enhances user experience.

Sample Survey Questions

1. How did you hear about our new product?
2. What were your initial impressions of the product?
3. How satisfied are you with the product's features and functionality?
4. Which feature did you find most useful?
5. Were there any features you found unnecessary or confusing?
6. How would you rate the overall quality of the product?
7. How likely are you to recommend this product to others?
8. Did the product meet your expectations?
9. What improvements would you suggest?
10. Do you have any additional comments or feedback?
