

Cash Receipt

Receipt No.: CR-2024-0152
Date Received: 2024-06-19
Received From: Jane Doe
Amount: \$1,250.00
Payment Method: Bank Transfer
Reference/Invoice No.: INV-2024-1090
Description: Partial payment for website development services (April 2024)

Note: In accrual basis accounting, a **cash receipt** represents the actual inflow of cash recorded when payment is received, regardless of when the revenue was earned. Proper documentation of cash receipts is essential for accurate financial records and effective cash flow management.
