

Parental Consent Form for Data Collection in Schools

Please read the following information carefully. Your child's school is planning to collect data for educational purposes. We are committed to ensuring your child's privacy and the security of their information.

Purpose of Data Collection

The data collected will be used to improve teaching methods, assess educational programs, and enhance student learning experiences.

Types of Data to be Collected

- Student academic performance (grades, test scores)
- Attendance records
- Demographic information (age, gender, etc.)
- Feedback from surveys or questionnaires

Data Storage and Security

All collected information will be securely stored in accordance with school district and national privacy regulations. Only authorized personnel will have access to this data.

Voluntary Participation

Participation in this data collection is voluntary. You may withdraw your consent at any time without penalty.
