

Environmental Assessment Form Sample for Industrial Facility

An **environmental assessment form sample** for an industrial facility helps evaluate potential impacts on the surrounding environment. This form ensures compliance with regulations by documenting key factors such as air emissions, water discharge, and waste management. Proper use of the assessment supports sustainable development and risk mitigation for industrial operations.

1. Facility Information

Facility Name	<input type="text"/>
Address	<input type="text"/>
Contact Person	<input type="text"/>
Contact Number	<input type="text"/>
Facility Type	<div>--Select--<div></div></div>

2. Environmental Impact Assessment

Aspect	Description	Potential Impact	Mitigation Measures
Air Emissions	<input type="text"/>	<input type="text"/>	<input type="text"/>
Water Discharge	<input type="text"/>	<input type="text"/>	<input type="text"/>
Solid & Hazardous Waste	<input type="text"/>	<input type="text"/>	<input type="text"/>
Noise/Vibration	<input type="text"/>	<input type="text"/>	<input type="text"/>
Other (specify)	<input type="text"/>	<input type="text"/>	<input type="text"/>

3. Compliance Checklist

Requirement	Yes	No	Remarks
Has valid environmental permits?	<input type="radio"/>	<input type="radio"/>	<input type="text"/>
Monitors emissions and discharges?	<input type="radio"/>	<input type="radio"/>	<input type="text"/>
Implements waste management?	<input type="radio"/>	<input type="radio"/>	<input type="text"/>
Emergency response plan available?	<input type="radio"/>	<input type="radio"/>	<input type="text"/>

4. Declaration

☐ I hereby certify that the information provided in this assessment form is true, complete, and correct to the best of my knowledge.
