

Parental Guardian Consent Form for Study Participation

A **parental guardian consent form** is essential for obtaining official permission from a minor's guardian before participating in a study. This sample form ensures all legal and ethical requirements are clearly communicated and documented. It helps protect the rights and welfare of young participants throughout the research process.

Study Information

Study Title: _____

Principal Investigator: _____

Institution/Organization: _____

Contact Information: _____

Purpose of the Study: _____

Participant Information

Child's Name: _____

Date of Birth: ____ / ____ / ____

Parental/Guardian Permission

I, [Parent/Guardian Name], am the parent/legal guardian of the above-named child. I have read and understood the information provided about this study. I understand that my child's participation is voluntary, and that I may withdraw my consent at any time without penalty.

Rights and Confidentiality

- Participation in the study is voluntary.
- My child's records will be kept confidential as allowed by law.
- I may withdraw my consent and remove my child from the study at any time.
- If I have questions, I can contact the principal investigator at the number/email provided above.

Consent Statement

I have read and understand the above information. I give permission for my child to participate in this research study.

Parent/Guardian Signature: _____

Date: ____ / ____ / ____

Researcher/Witness Signature: _____

Date: ____ / ____ / ____
