

# Workplace Health and Safety Self-Assessment Questionnaire

Conduct a **workplace health and safety self-assessment questionnaire** to identify potential hazards and ensure compliance with safety regulations. This tool empowers organizations to proactively improve their safety measures and protect employees. Regular assessments promote a safer work environment and reduce the risk of accidents.

Assessment Area	Yes	No	N/A	Comments / Actions Required
<b>General Workplace Safety</b>				
Are all areas free from clutter and tripping hazards?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="text"/>
