

Consolidated Statement of Retained Earnings Template

For the Year Ended [Date]

The **consolidated statement of retained earnings template** for multiple subsidiaries provides a clear overview of accumulated profits across various entities within a corporate group. This template efficiently combines the retained earnings data, ensuring accuracy and consistency in financial reporting. It simplifies the process of tracking and analyzing equity changes on a consolidated basis.

| Description | Parent Company | Subsidiary A | Subsidiary B | Subsidiary C | Adjustments/Eliminations | Consolidated |
|----------------------------------|-----------------|-----------------|-----------------|-----------------|--------------------------|-----------------|
| Opening Retained Earnings | [Amount] | [Amount] | [Amount] | [Amount] | ([Amount]) | [Amount] |
| Add: Net Income/(Loss) | [Amount] | [Amount] | [Amount] | [Amount] | ([Amount]) | [Amount] |
| Less: Dividends Declared | ([Amount]) | ([Amount]) | ([Amount]) | ([Amount]) | [Amount] | ([Amount]) |
| Currency Translation Adjustments | [Amount] | [Amount] | [Amount] | [Amount] | ([Amount]) | [Amount] |
| Other Adjustments | [Amount] | [Amount] | [Amount] | [Amount] | ([Amount]) | [Amount] |
| Closing Retained Earnings | [Amount] | [Amount] | [Amount] | [Amount] | ([Amount]) | [Amount] |

Notes:

1. Replace **[Amount]** with actual values.
2. Adjust columns for the number of subsidiaries as needed.
3. "Adjustments/Eliminations" reflect intercompany transactions, non-controlling interests, or consolidation entries.
