

Pre-Event Survey for Virtual Workshops

Conducting a **pre-event survey** for virtual workshops helps gather participant expectations and tailor content effectively. This proactive approach ensures engagement and maximizes the workshop's impact. Collecting feedback in advance also identifies potential challenges and preferences.

Sample Survey Form

Name:

Email Address:

What are your main expectations from this workshop?

How familiar are you with the workshop topic?

Preferred session format:

- ☐ Interactive Activities
- ☐ Lectures/Presentations
- ☐ Group Discussions

What challenges do you anticipate in participating virtually?

Do you require any special accommodations?
