

# Presentation Feedback Form (Peer Evaluation)

This **presentation feedback form** sample is designed to facilitate constructive peer evaluation, helping presenters improve their skills through detailed and organized input. It encourages reviewers to provide specific comments on content, delivery, and engagement. Utilizing this form promotes effective communication and continuous learning within teams.

**Presenter Name**

**Presentation Title**

**1. Content**

Was the content clear, accurate, and well-organized? What were the strengths and areas for improvement?

**2. Delivery**

How was the presenter's voice, eye contact, pace, and confidence?

**3. Engagement**

Did the presenter engage the audience and encourage participation or questions?

**4. Suggestions for Improvement**

Provide constructive feedback or specific tips for improvement.

**5. Overall Rating**
