

Website Privacy Notice Consent Form

This **website privacy notice consent form** sample helps you inform users about data collection practices and obtain their explicit permission. It ensures transparency and compliance with privacy regulations by clearly outlining how personal information is used. Utilize this template to build trust and safeguard user privacy on your site.

Consent to Data Collection

By using this website, you acknowledge that you have read and understood our [Privacy Policy](#). We collect and process your personal information as described therein.

What information do we collect?

- Personal identification information (Name, email address, etc.)
- Usage data (IP address, browser type, browsing behaviour)

Why do we collect this information?

- To improve user experience
- To communicate updates
- To enhance website security

☐

I have read the Privacy Policy and consent to the collection and use of my information as described.
