

# Parental Consent Form Sample for Video

This **parental consent form** sample for video ensures legal permission from parents or guardians before a child's participation in video recording. It clearly outlines the terms and conditions to protect both parties. Using a standardized form helps maintain compliance and accountability in media projects involving minors.

## Parental Consent Form for Video Recording

### Child's Information

Full Name:

Date of Birth:

### Parent/Guardian Information

Full Name:

Relationship to Child:

Contact Number:

### Consent Details

I, the undersigned, hereby give my consent for my child named above to participate in video recordings conducted by **[Project/Organization Name]**. I understand that these video recordings may be used for educational, promotional, or informational purposes and may be published on various media platforms.

I acknowledge and accept the terms and conditions for the use and distribution of these recordings as provided by the organization.

I agree to the above terms and grant permission.

### Parent/Guardian Signature:
