

# Psychological Exam Consent Form Sample

A **psychological exam consent form sample** serves as a template to obtain informed permission from individuals before conducting psychological assessments. It clearly outlines the purpose, procedures, and confidentiality related to the exam. This ensures ethical standards are upheld while protecting the rights of the person being evaluated.

## Sample Psychological Exam Consent Form

### Personal Information

Full Name:

Date of Birth:

### Consent Information

**Purpose:** I understand that I am being referred for a psychological assessment. The purpose, nature, and scope of this assessment have been explained to me.

**Procedures:** I understand that the assessment may include interviews, questionnaires, tests, and observation. I understand I may decline to answer any question or discontinue participation at any time.

**Confidentiality:** All information obtained during the assessment will be kept confidential to the extent required by law. Results will only be shared with those authorized by me or as required by law.

### Consent

I have read (or had read to me) the information above and have had the opportunity to ask questions. I agree to participate in the psychological examination.

I give my informed consent.
