

Research Participant Confidentiality Declaration Form

This **Research participant confidentiality declaration form sample** ensures the protection of personal data and privacy throughout the study process. It outlines the responsibilities of all parties to maintain strict confidentiality of participant information. Utilizing this form promotes ethical research practices and trust between researchers and participants.

Study Title:

Principal Investigator:

Participant Name (optional):

Declaration:

I acknowledge that I am participating in the above-mentioned research study and that I may have access to personal and confidential information obtained during the research.

I hereby agree to:

- Treat all information regarding research participants with the strictest confidentiality.
- Not disclose any identifying or sensitive information to unauthorized persons.
- Use participant information solely for the purposes specified in the study protocol.
- Safeguard all records and documents in accordance with applicable privacy and data protection laws.
- Report any breaches of confidentiality to the research team and/or ethical review board promptly.

I understand that breaching confidentiality may result in disciplinary action and/or legal repercussions.

Acknowledgement:

By signing below, I confirm that I have read, understood, and agree to abide by the confidentiality requirements stipulated above for the duration of the research study and thereafter.
