

# Supplier Declaration Form

The **supplier declaration form** sample is essential for verifying the origin of materials, ensuring compliance with trade regulations and quality standards. It helps businesses confirm the authenticity and source of their supplied materials. Using a standardized form simplifies audits and traceability processes.

## Supplier Information

Supplier Name
Supplier Address
Contact Person
Contact Number
Email Address

## Material Details

Material Name	Batch/Lot Number	Quantity	Country of Origin
e.g. Aluminum Sheet	e.g. 12345A		Select Country ▾

## Declaration

I/We hereby declare that the information provided above is accurate and true. The mentioned materials are sourced from the specified countries of origin and comply with all applicable trade, regulatory, and quality requirements.
