

Conflict of Interest Declaration Form

A **conflict of interest declaration form** sample in research projects ensures transparency by requiring researchers to disclose any personal or financial interests that might influence their work. This form helps maintain integrity and trust in the research process. Proper use of this declaration is essential for upholding ethical standards in academic and scientific investigations.

Research Project Information

Project Title:

Principal Investigator:

Research Team Members:

Conflict of Interest Declaration

Please respond to the following questions:

1. Do you, or any immediate family members, have any financial interests (such as employment, consultancies, stock ownership, honoraria, paid expert testimony, etc.) related to this research project?

☐ Yes ☐ No

2. Are you involved in any relationships, activities, or circumstances that might be perceived as influencing, or appearing to influence, the research?

☐ Yes ☐ No

3. If you answered "Yes" to any of the above, please provide details:

Declaration
