

Research Consent Form Sample

This **research consent form sample** with a confidentiality clause ensures that participants are fully informed about the study and their privacy is protected. This form outlines the purpose, procedures, and potential risks while guaranteeing that all personal data will be kept strictly confidential. It is essential for ethical research practices and participant trust.

Title of the Study:

[Enter Study Title Here]

Principal Investigator:

[Name and Contact Information]

Purpose of the Study:

The purpose of this study is to *[insert purpose]*. You are being invited to participate to help us better understand *[insert study topic]*.

Procedures:

- You will be asked to *[describe what participant will do]*.
- The process will take approximately *[estimated time]*.
- Participation is voluntary and you may withdraw at any point.

Potential Risks and Benefits:

- **Risks:** *[List any potential risks]*
- **Benefits:** *[List any potential benefits]*

Confidentiality Clause:

All information collected during the course of this research will be kept strictly confidential. Your identity will not be revealed in any publication or presentation arising from this study. Data will be stored securely and only accessible to the research team. No personally identifiable information will be shared with anyone outside the research team.

Contact Information:

If you have questions about this study, please contact:
[Investigator's Name, Phone, Email]

Voluntary Participation:

Participation in this study is entirely voluntary. You may refuse to participate or withdraw from the study at any time without penalty or loss of benefits.

Consent

By signing below, you indicate that you have read and understood the information provided above and agree to participate in this study.

Participant Name: _____

Signature: _____

Date: _____ / _____ / _____
