

School Laboratory Safety Notice Form

Date:

Class/Grade:

Teacher:

This **school laboratory safety notice form** sample provides a clear and organized template to communicate essential safety rules and guidelines. It helps ensure that students and staff understand proper laboratory procedures to prevent accidents. Utilizing this form promotes a safer learning environment in school science labs.

Laboratory Safety Rules

1. Always wear safety goggles and appropriate protective clothing in the laboratory.
2. No eating, drinking, or chewing gum is allowed inside the lab.
3. Familiarize yourself with the location of safety equipment such as fire extinguishers, eyewash stations, and first aid kits.
4. Read all instructions before starting any experiment.
5. Report all accidents, spills, or breakage to the teacher immediately.
6. Never conduct unauthorized experiments or use equipment without permission.
7. Clean your workspace and wash your hands thoroughly after every lab session.
