

School Safety and Bullying Climate Survey

The **school safety and bullying climate survey** assesses students' perceptions of safety and the prevalence of bullying within the school environment. It helps identify areas needing improvement to foster a secure and inclusive atmosphere. The results guide policies and initiatives to enhance student well-being and promote positive interactions.

Sample Survey Questions

1. On a scale of 1-5, how safe do you feel at school?
2. Have you witnessed or experienced bullying in the past month? (Yes/No)
3. If yes, what type of bullying did you experience or witness? (Physical, Verbal, Cyber, Social, Other)
4. Do you know who to contact at school if you or someone else is being bullied? (Yes/No)
5. Have you reported any incidents of bullying to a teacher or staff member? (Yes/No)
6. How comfortable do you feel reporting bullying incidents? (Very Comfortable, Comfortable, Neutral, Uncomfortable, Very Uncomfortable)
7. What changes would make you feel safer at school?

Instructions

- Please answer each question honestly.
- Your responses are confidential and will be used to improve school safety.
- If you need support, contact the school counselor or designated staff member.
