

# Tree Removal Permit Application Form

Obtaining a **tree removal permit** requires submitting a detailed form along with a comprehensive site plan to ensure compliance with local regulations. The site plan must clearly indicate the location of the tree(s) to be removed and any potential impacts on surrounding areas. Proper documentation helps authorities assess environmental considerations and approve the removal process efficiently.

**Important:** Please attach a site plan showing the exact location of each tree proposed for removal, property boundaries, nearby structures, utilities, and remaining vegetation.

## Applicant Information

Full Name:

Mailing Address:
