

# Volunteer Feedback Survey: Communication and Support

Our **volunteer feedback survey** aims to evaluate the effectiveness of communication and support provided throughout the volunteering experience. By gathering honest insights, we strive to enhance our engagement and ensure volunteers feel valued and well-informed. Your input is essential in helping us improve these vital aspects.

## Communication

How would you rate the quality of communication from our team?

--Please choose an option-- 

Comments on communication:

## Support

How well supported did you feel during your volunteering?

--Please choose an option-- 

Comments on support:

## Additional Feedback

What improvements would you suggest for communication and support?
