

# Photo Release Waiver Form Sample for Social Media Use

A **photo release waiver form** sample for social media use grants permission to share images while protecting privacy rights. It ensures individuals acknowledge and consent to how their photos will be displayed online. Using this form helps organizations legally share content across social platforms.

## Photo Release Waiver Form

Individual's Information

Full Name:

Email Address:

Release Details

I hereby grant to 

Organization Name

 ("Organization"), its representatives and employees, the right to use and publish photographs or video images of me taken during events or activities for use on social media platforms, including but not limited to Facebook, Twitter, Instagram, LinkedIn, and the organization's website.
